Ordinary Motions

a) Sailing Cuppers

RCSA Notes:

1. Robinson has entered a team into Sailing Cuppers.
2. This is a fun way for those involved to proudly demonstrate their sporting abilities under Robinson colours.
3. The entrance fee for Sailing Cuppers is £32
4. All other sports teams have their league fees and entries paid for by the RCSA, and some their travel expenses too.

RCSA Believes:

1. That the RCSA should fund the entry fee for Sailing Cuppers.

RCSA Resolves:

1. To allocate £32 of the open meeting budget to pay for the entry fee for Cuppers.

Proposer: Arthur "El Capitan" Henderson

Seconder: Harry "First Mate" Orchard

b) Robinson College Boat Club Reallocation Motion

RCSA Notes:

1. The Boat Club has retired two boats this year resulting in savings of £256.15 in Insurance, £107 in Cam Subs and £21 in British Rowing subs.
2. That the Boat Club is running low on funds in their Race Costs category (currently having only £290 left), as they have entered slightly more races this year and race fees have gone up, following the introduction of a new Conservators fee for Cam races.
3. Whilst the Boat Club has already paid for all this year's races they may struggle to pay for all the novice races usually entered next term, before the Budget meeting.
4. That reallocating funds from one category to another has previously been used by past Hockey, Netball and Boat Club committees in order to make the best use of money allocated.
5. Reallocating funds will not cost the RCSA any more money than that which was originally allocated to the Boat Club.

RCSA Believes:

1. It would be a shame if next year's novices could not enter as many races as normal because the Boat Club didn't have the money to enter them.

RCSA Resolves:

1. To reallocate the £256.15 saved in the insurance category, £107 saved in Cam Subs and £21 saved in British Rowing subs into the Race Costs allocation of the RCBC Budget.

Proposer: Alice "Purse-strings" Udale-Smith

Secunder: Alexander "pizazz" Himsworth
