**10. Ordinary Motions**

a) [Ents Fridge Request](#)

*This motion needs two thirds assent to pass.*

**RCSA Notes:**

1. The current party room fridge is not big enough.
2. The current party room fridge does not work properly (only the drinks in the top half are chilled).
3. A new fridge would last numerous years and would not benefit only the current cycle of Ents.
4. There is not enough money in the Ents budget for a new fridge.

**RCSA Believes:**

1. Cold drinks should always be available at bops, therefore more working fridge spaces is required.
2. Ents should be able to use reserve money to fund what will be a lasting improvement to the party room.

**RCSA Resolves:**

1. To provide enough money from the reserves to buy a new fridge.
2. This shall not be allowed to cost more than £1,000 and the amount spent shall be kept as low as possible without compromising the ability of the fridge to properly cool enough drinks.

**Proposer:** Tom 'BLT' Baines

**Secunder:** David 'Bent Ent' Hoare

**FOR**

Tom Baines (TB): The ents fridge cools the top half but not the bottom and we have space for another fridge. We can amend the motion – if we can get a decent second hand one it won't cost more than £300 and if we get a new one it should be under £600.

**AGAINST**

None.

**QUESTIONS**

Chris Parmee (CP): If you're using the reserves, why don't you just get a new one? May as well, we have to spend the reserves.

TB: Ok.

**VOTE**

*This motion passes.*
